

# *The Forgotten Die*

*Damn it man*

*Finally we are out of there*

*Hey! Why did  
you bring me  
here brother?*

*I can't believe my brother  
would betray me like my  
best friend Tic Tac*

*After all we've been  
through*

*We were twins how could he, the  
same person, what happened to  
him*

*It was hard getting  
over Tic Tac*

*The lengths I went to  
get over him, I can't  
imagine how far I'll go  
to get over my brother*

*Finally im out  
of the wretched  
forest*

*Wait I think I see  
him*

*He replaced me already? I can't  
believe it! We were indistinguishable  
how could he be friends with those  
people*

*I feel*

*Empty*
